FOGBANDIT

*The world's most powerful
Burglary and Robbery
deterrent system*

EN 50131-8  APPROVED
APPROVAL
No. 2010.0032

Speed

Fog Bandit is the fastest security fogging system on the market.

- > Delivers 28 cubic metres per second
- > Intruders are rapidly stopped from entering a premises and targeting assets thereby minimising damage to premises

Density

Fog Bandit is the fastest and highest density security fogging system on the market.

- > 25 centimetre vision impairment
- > What can't be seen can't be stolen
- > High density fog lasts longer and it far more effective
- > Fog is completely harmless and safe to use in any environment

Reliability

Fog Bandit has a proven record of working correctly when needed most.

- > Outstanding reliability from solid state electronics and robust, high quality casing and components
- > Continuous self-diagnostics reports status changes immediately
- > Very low maintenance and running costs (the clean filled and hermetically sealed fluid cartridge has a 4 year no-maintenance life span)
- > Patented automatic self cleaning after each activation

Credible Deterrent 24/7

Criminals do not like Fog Bandit and the Warning Sticker communicates a strong deterrent message.

The rapid fog deployment of one Fog Bandit will neutralise the threats of both

- > Day time robbery
- > Night time burglary

Fog Bandit Key Clients include

- > G4S > Loomis > Bank Machine > HSBC
- > H&T Pawnbrokers > J D Wetherspoons
- > Dixon Group > Jessops > Co-op > Shell > Esso
- > Post Office > Hermes > VIA MAT International

Approvals

- > EN 50131-8 compliant as certified by CNPP. Approval No. 2004-0001
- > Bandit is an ISO 9001 certificated company
- > Complies with European CE and EMC Standards
- > Complies with International Standard: IEC 839-1-3
- > Complies with the Danish Standard of the F & P: Class1, AIA212, F & P registration No. 10.212-00418
